

NOTICE: Informational Listing Only – Not an Offer or Agreement

Thank you for your interest in Accelya's solutions available via AWS Marketplace.

This public listing is for informational purposes only

Key details:

- **No contractual effect:** This public listing does not constitute an offer, contract, or agreement of any kind. Accessing or reviewing this listing does not create any legal or commercial obligations.
- **How to proceed:** To explore Accelya's solutions for your organization, **please select REQUEST PRIVATE OFFER and complete the form on the next page.**
- **Following your request:** Our team will:
 - Discuss your specific requirements and use cases with you;
 - Develop a tailored Private Offer through AWS Marketplace; and
 - Provide you with applicable terms and conditions for your review.
- **Private Offers:** All commercial transactions are concluded exclusively via AWS Private Offers. Any pricing shown in this listing is for technical or illustrative purposes only and does not represent a final or agreed price. Final pricing will be provided solely via a Private Offer.
- **Next steps:** Accelya will work with you to review and confirm your requirements, provide applicable terms and conditions, and issue a customized Private Offer via AWS Marketplace.

No rights, licenses, or services are granted through this public listing. Services will only be delivered subject to a mutually agreed contract via a Private Offer.
